## City of Traverse City Gift Catalog

**Traverse City** is a special place and the citizens and businesses of the community have been active in maintaining the quality of life in Traverse City. What sets Traverse City apart from all other cities is the continued support from individuals and organizations such as yours.

This Gift Catalog has been presented to citizens to allow them the opportunity to support the community by donating and contributing toward an area, which is specifically important or special to them.

Please consider participating in the Gift Catalog. As you will notice, there is a variety of areas in which to participate. Staff will be glad to discuss and answer any questions regarding your selection possibilities. Simply complete the form in the back of this booklet or direct your inquiries to the City Manager's Office (231) 922-4440 or any of the individual departments listed.

All orders should go directly through the City so that all equipment can be consistent and comply with City standards. The prices listed are approximate. To place an exact order and receive an exact price for an item, which may include shipping and handling, please contact the appropriate department as listed on the following pages

June 2015

### Charitable Contributions

Regarding contributions or gifts, the City maintains that the Internal Revenue Code section 170(c) applies. That section reads as follows: "For purposes of this section, the term "charitable contribution" means a contribution or gift to or for the use of a state, a possession of the United States, or any political subdivision of any of the foregoing or the United States or the District of Columbia, but only if the contribution or gift is made for exclusively public purposes."

Therefore, the City of Traverse City construes this to mean that a contribution or gift to the City of Traverse City would be a charitable contribution if it is made for exclusively public purposes. We suggest you contact a professional accountant to determine if this applies to you in whole or in part.

## City Parks (Contact 922-4910)

More than 30 City parks are located throughout the community. These range from small neighborhood parks to the larger bay front parks, Hickory Hills and the Grand Traverse Commons. Traverse City is fortunate to have many park facilities. Your support will make one or all of these parks truly exceptional.
